

2022-2023 Welcome Letters & Supply List

The following welcome letters were created by each grade team to help students and families prepare over the summer. When teachers return in mid-August, families will receive more classroom-specific information from their child's assigned teacher. Parents will also have an opportunity to learn more about each class during Back to School night in September (date to be determined).

Please note that information regarding classroom assignments for the next school year will be available in the Parent Portal on August 6th (except for Kindergarten who will receive an email with their class assignments in the coming weeks). If you have not already done so, please visit the [Parent and Family Portal](#) and update your communication preferences before August. **Additionally, the school can not honor requests for specific teachers but will take all factors into consideration to make sure students are placed appropriately. Thank you for understanding!**
